

Advanced Performance Investigations is looking for a **bi-lingual** AOE/COE, and subrogation investigator. The investigator will primarily be handling investigations in Los Angeles, Ventura, and Santa Barbara counties. Occasional travel to other areas in Southern California might occasionally be necessary.

The investigator needs to be proficient in interviewing techniques, report writing, time management, and analytical thinking. The essential requirements also include:

Owning reliable transportation and having an excellent driving record
Owning a personal computer with internet access and being proficient in Word
One year or more experience

Former Law Enforcement or claims experience is beneficial.
